NAHR Minutes July 2020.doc
- 3 Amplitude Update – Amplitude was due to complete upgrades by 8/10 – AJM to chase CMB mentioned issue with pathways and surgeries and AJM to clarify with Amplitude is someone else has the same problem and ways to circumvent**  
Covid audit discussed – In progress, around 250 patients invited, compliance an issue
- 4 Website (AJM)** - Content for blog – discussed and agreed that if there is anything interesting it will be shared
- 5 Finances (TA)** - Apologies from TA; **Further email with update sent** – Can I please share with you that in terms of finances, we have already been paid £10,000 by Smith & Nephew for this year. Stryker are still in negotiation about the detail but in principle will sponsor us for £10,000 for this year (clearly not yet paid though). Unfortunately, Arthrex have informed me that due to issues with their business during the pandemic period they will only be able to sponsor us for £3000 this year.
- 6 Pathway for management** –guidance document in development (**CMB**)  
- Two pathways – one for clinicians to support their practice (**VK to help**)

**CMB); one for physios and others to refer (AJM to share Max Fehily's pathways to discuss)**

- 7 Research update (AJM) - Labral repair submitted, FAI paper to be submitted to JBJS Am, Research fellow - Team agreed that NAHR will fund MD/PhD fee**
- 8 NAHR session for BHS 2021 (VK and AJM) - Format will be CBD with panel of experts - possible cases - GTPS, AVN, Deep gluteal pain**
